Dear Jayantha and Members of The Sri Lanka Sports Association of Queensland,

It is with extreme gratitude that we acknowledge the contribution of AUD 4,000/- and the great effort by SLSAQ to make this fundraiser a great success for the development of junior cricket and the benefit of rural sportsmen via Foundation of Goodness Seenigama Sports Academy.

It is through your selfless and noble assistance that sportsmen from remote backgrounds are able to pursue their talents, finally achieving the aspiration of a bright future and career.

Thank you for the compassion and concern you have shown and for supporting our cause in enriching humanity. The community care initiative and the kindness displayed unasked, are of significant value and the wholesome deed is most noble.

“All the other pleasures of life seem to wear out, but the pleasure of helping others in distress never does”

May this very noble undertaking take everyone at the Sri Lanka Sports Association of QLD from happiness to happiness and greater prosperity.

Please find your receipt enclosed.

Kindest regards,

FOUNDATION OF GOODNESS
