The Dance of the Lions 2021

21st July 2021

Gentlemen,

We refer to the previous communication regarding the cancellation of the above. We regret very much having to take this step which we however feel is the best option at this point of time.

As has been intimated by us “the Dance of the Lions” was to be the main source of funding to complete our pledge to the Trinity College T150 project. The Melbourne OBA pledged a sum of \$50,000/- and so far, we have remitted \$40,000/- towards the project. The expectation was that the proceeds from the dance would be the final event to secure the balance \$10,000/-, which is due in September.

We are now forced to look at alternate arrangements to collect that amount. We would like to appeal to those who have purchased tickets to consider one of the following options.

- 1) Donate in full the cost of the tickets purchased towards the T150 project. A receipt will be provided as acknowledgment of your donation.
- 2) Be considered as payment towards a ticket to the dance when next held. A register will be maintained.

We are confident that should you agree to options 1 & 2 we will be able to meet our pledge to Trinity.

- 3) In the event you do not agree to either option above the cost of the tickets will be refunded in full.

Please let your table heads know or email your decision by email to tckoba@hotmail.com

The newsletter from the Chairman of the Trinity150 project has been attached to provide a progress review of the T150 projects.

Foremost in our minds is the need to help Trinity complete the T150 project as planned by 2022, when she celebrates 150 years of education in our motherland.

Thank you for your understanding and continued support.
