

Pilgrimage to the Holy Land and Egypt 20th September - 2nd October 2008

Dear

We considered it a challenge when we decided to organise for the first time a trip overseas. Driven by motivation and the determination to see it happen we could not have made a better choice than to organise a pilgrimage to the Holy Land & Egypt and to spend sometime in Sri Lanka.

Thanks to Superlink Travels in Sri Lanka (*especially to Rodney Koelmeyer and Tatum Manuel*) and with the response we received, we were able to turn our dream into a reality. The spontaneous support from you all made things easy for us to organise this pilgrimage and undoubtedly you will agree that it was a tremendous success.

We are certain that each one of you will have a special memory of the Holy Land. To us the places that filled our hearts with emotion and where we sensed the presence of the Holy Spirit was at the Sea of Galilee, (the place where Jesus stilled the storm) the Mount of Olives and at the baptism (*immersion*) at the river Jordon.

The time we spent with family and friends in Sri Lanka were also happy moments and enjoyable times. Let us not leave these experiences and memories to fade into oblivion, but rather let it continue to enrich our lives so that we can be better than we are.

Our primary thanks goes to God for His protection and for keeping us all in good health and bringing us back safely home.

Thanks for being part of our life. Stay Blessed!
