Dear Members

Its Time once again, to renew your Membership by paying your subscriptions of \$30 for the financial year, July 2026- June 2027

Your ongoing commitment to

the cause of the 'Less Fortunate' has enabled us to continue our work in helping the poor and giving them food, shelter and hope in their lives.

Our Student Sponsors, have also helped to educate a generation of poor and needy children, providing funds to help them with schooling and knowledge, for a better and brighter future.

You are important to us and we need you to help us in our work. PLEASE renew your Membership and bring along New Members.

A donation with your Membership would be greatly appreciated.

THANK YOU for being a part of the Eighty Club Community and for your patronage and generosity over the years.

PRESIDENT'S MESSAGE

Once again. It is the start of a new financial year and just a gentle reminder to please pay your 2026 – 2027 membership fees at your earliest convenience. Your membership keeps our club strong, active and it would greatly help relieve the workload of our Membership Secretary, Allan Pinder in reconciling your membership payments.

Thank you to each and every one of you for your continued support, attendance at our fund-raisers and your continuing generosity. It's because of you that Eighty Club Melbourne remains a vibrant community with purpose.

We have an urgent need for additional funding and donations to continue providing pensions to our Welfare Beneficiaries in Sri Lanka. These pensions support elders and vulnerable families who rely on us. Every contribution makes a direct difference and it is no easy task raising these funds required from our fund-raising activities alone.

The need for more sponsors to help educate underprivileged students in Sri Lanka is always a priority. There are many applications from poor families, who find it financially difficult to educate their children. Your sponsorship can cover school fees, books, and essentials to give a child a brighter future.

To keep growing, it is also important to note that we need more honorary volunteers to join our Committee. If you'd like to get more involved and help shape our events and charity work, we'd love to welcome you. Our Annual General Meeting scheduled for 13 September 2026, at the Grand on Princes is an opportunity for you to nominate and assist us with new ideas. Your involvement will not only have a positive impact for you, but also on the many aspects of the Club's mission. Let us ensure our work continues into the future and 44 years of continuing to 'Care for the Less Fortunate' in Sri Lanka, is a legacy that should continue and expand. There are many in our community who depend on our support and we should ensure we are always there for them.

Your support has always been the heart of Eighty Club Melbourne. Let's continue this work together.

Thank You

Trevor Collette.

We apologise for any inconvenience this may cause.

Thanking You.

ANGELO HERFT

TREASURER – EIGHTY CLUB MELBOURNE INC.

From the desk of the Welfare Beneficiary Co-ordinator

Wow... what can I say?

It was not so long ago that I put pen to paper to share some thoughts, reflections, and intentions regarding the welfare of our beneficiaries.

Today, I am pleased to say that several more individuals have been added to our list of beneficiaries. Sadly, however, we have also had to say goodbye to five others who have now gone on to a better place.

I am equally delighted to share that, through your generous donations, sponsorships, continued participation in our functions, and for the trust you place in this committee, we are now supporting 223 deserving individuals in Batticaloa and Colombo combined.

Together, we continue the legacy that began as a dream around a dinner table, shared by a small group of selfless and well-meaning friends who courageously pursued a vision to support the Burgher community in Sri Lanka. Their dedication, commitment, and hard work have brought us to where we are today—not merely meeting people halfway in their struggles, but reaching out to do even more.

Since its inception, the Eighty Club of Melbourne has grown from simply helping to put food on the table and assisting with medical expenses. Today, we continue to seek new ways to support those who are less fortunate. Their suffering is real, and your generosity goes a long way in bringing hope, comfort, contentment, and joy into the hearts and lives of those we help.

Many of you may also be aware of our efforts in rebuilding schools and homes, purchasing medical equipment and furniture such as beds, and providing educational resources and other essential items following Cyclone Ditwa. Through these initiatives, we strive to make a meaningful difference wherever the need is greatest.

As you consider ways in which you can continue to support our work, I encourage you to share this message with your family and friends so that together we can extend our reach even further.

Finally, on behalf of the organisation and the committee, I extend our heartfelt gratitude for your valued support and for standing alongside us in caring for the poor, the vulnerable, and the desperate. Your generosity over the years has undoubtedly eased the burdens of many, lifted spirits, and brought countless smiles to the faces of those we serve.

Thank you for helping us make a difference.

May God Bless you abundantly.

SPONSORSHIP NEWS - Trevor Collette

Colombo

117 students in Colombo received assistance last quarter. 14 (12.0%) are studying at "A" level.

The last allowance was paid recently. It saw each A/L student receive Rs. 15,000, and the other students each receive an allowance of Rs. 12,000.

A further 11 are undertaking tertiary study courses and are being paid a quarterly PSET allowance

Batticaloa

The student sponsorship scheme in Batticaloa has a total of 37 students being sponsored.

11 students (30.0%) are studying at "A" level and in University.

The allowances for the students in Batticaloa are the same as the allowances paid in Colombo.

2 students have completed their training as Dental nurses and have obtained employment.

4 students have gained admission to University and their sponsors have all volunteered to continue sponsorship at the increased PSET rate of \$100 a quarter.

PSET

Through the *POST SECONDARY EDUCATION TRAINING SCHEME (PSET)*, 11 students in Colombo and 1 in Batticaloa currently receives quarterly allowances of Rs. 20,000 each. These PSET payments are made from ECM funds in the PSET scheme, established by the late Mr. Ivor de Kretser.

As this fund is depleting fast, some University students receive this PSET allowance directly through their individual sponsors. It would be a tremendous help if you could continue to subsidise the high costs associated with your sponsored student's University education.

The present rate for University PSET payments for a sponsor is \$100 paid quarterly

SCHOLARSHIPS

With immense generosity, two ECM members have volunteered to invest \$5000 each to set up a scholarship scheme to assist students through University. It is proposed that these funds will be utilised in a manner similar to the PSET grant and will become an Endowment scheme which will continue in their names of these donors.

COMMUNICATION

Of utmost priority to the Student Sponsorship Program is communication by students or parents with their sponsors. This continues to be a major issue. Prior to Covid all students together with their parents went to the DBU to collect their allowance and hand over a written aerogramme addressed to the sponsor. This was posted by the DBU and each student was then given a new aerogramme for the next quarter.

No letter meant no payment.

However, with Covid the quarterly in-person payment meetings ceased. In order to continue sponsorship payments, each student had to open a bank account into which their sponsorship allowances were paid.

Though most students contact sponsors, a few of them are not communicating with them.

In a recent instance, the sponsor decided to cease sponsorship due to lack of communication.

Prompt action is always taken when a sponsor's concerns are made known to the sponsorship coordinator, regarding the lack of communication. We immediately liaise with the Admin. Manager at the DBU who in turn contacts the student/parents and ensures continued communication.

Please contact the Student Sponsorship Coordinator with any concerns you may have.

GENERAL

The student numbers stand at 166 at present this is a significant drop compared to the 200 we previously had. As always there are many more deserving applicants from both Colombo and Batticaloa, and there is an urgent need to encourage and increase the number of sponsors. Most of the "older" sponsors are

(continued)

restricted in their ability to take on a new sponsorship, as their circumstances (physically and /or financially), have changed.

I appeal to our members to take on a sponsorship if you currently do not have one. Do encourage friends and relatives to support the educational needs of a poor student, by contributing as a student sponsor.

SPONSORSHIP is the fuel that drives students toward achieving their dreams. It helps them navigate challenges, stay focused, and maintain a positive attitude even in the face of adversity.

Many poor families face extreme hurdles trying to educate their children.

Sponsorship and education of a child, helps break the cycle of poverty for them and their families.

Update from Dave Juriansz to the DBU on his Educational Progress

Dear Madam,

I hope you are doing well.

I am writing to inform you about my current educational progress. First of all, I would like to sincerely thank you for your continuous support towards my university education.

Your generosity has greatly helped me to continue my studies without interruption.

I am pleased to inform you that I have successfully completed my third year of university with a GPA of 3.6 (Second Upper Class). As part of my degree program, I am currently undergoing a six-month industrial training period while continuing my academic work. I expect to complete my degree by the end of 2026, with graduation scheduled for 2027.

In addition to my degree, I have recently commenced the Certified Management Accountants (CMA) professional qualification. I decided to pursue this qualification considering the increasing competitiveness in the industry, where professional qualifications are often required alongside a degree. Based on my university studies, I have been granted exemptions for the first two levels of the CMA program. Therefore, I only need to complete the Managerial Level and the Strategic Level to obtain the full CMA qualification. I am currently eligible to begin directly at the Managerial Level. CMA has also offered a 40% discount on the exemption fees, and I paid Rs. 42,000 by borrowing funds in order to make use of this opportunity.

I am planning to sit for the Managerial Level examinations in September 2026, with the aim of completing the entire CMA qualification by the end of 2027. I have attached a detailed breakdown of the exam fees and study material costs, along with my membership confirmation for your reference.

Madam, I humbly wish to mention that my family is currently facing financial difficulties. Due to health issues, my father has not been able to work consistently, which has made it challenging for us to afford the expenses related to my professional studies.

Therefore, with utmost respect, I would like to kindly inquire whether it would be possible to receive your support for my CMA studies as well. I truly understand and deeply appreciate the support you have already extended towards my university education, and I remain sincerely grateful. Any additional assistance you may be able to provide would be a great help for me to continue my studies and achieve my future career goals.

Thank you once again for your kindness, generosity, and continuous support.

(Dave Juriansz is a student who over the years has been sponsored by Anne Keegal. Anne has generously agreed to continue her sponsorship to enable Dave to finalise his University degree and the high cost associated with tertiary studies. His Letter says it all. Thank You Anne for your generosity.)

"University education is the education which gives a man a clear, conscious view of their own opinions and judgments, a truth in developing them, an eloquence in expressing them, and a force in urging them."

We had one request for a cataract surgery and Etienne is following this up. I am waiting on a report from Etienne, DBU Colombo and will provide more information in our next newsletter.

Used Spectacle Project

Since the used spectacle project was started by the club back in 2020, we have donated over 1300 pairs of used spectacles, thanks to our members. These spectacles were distributed to deserving persons in third world countries.

A huge thank you for supporting this worthwhile project. Please continue to bring any used spectacles and hand them to me at any of our functions.

VALE- Jacqueline Dianne Suzette Harris (nee Smith)

6 June 1961 – 14th June 2026

The Eighty Club Melbourne mourns the passing of one of our long standing and loyal members, Jacqueline Dianne Suzette Harris (nee Smith), known to most of us as Suzie Harris.

Suzie and her husband Jan owned and operated for many years one of the best known and popular Sri Lankan Grocery and take away businesses in Noble Park, Quality Spice. The business certainly lived up to its name delivering quality food to the many customers. One still

remembers the welcoming smile and greeting Suzie bestowed on all the customers, while

Jan was always on hand to answer any queries and assist by carrying any heavy shopping to the cars outside.

An almost forgotten fact is that Suzie and Jan also carried out a “Meals on Wheels” service delivering delicious Sri Lankan cuisine in and around Noble Park to elderly pensioners who could not attend to their own shopping.

The Eighty Club Melbourne owes a great debt of gratitude to Suzie and Jan as they provided a free lunch each year for the Club when lunches were held at the church hall in Buckley Street and latterly at the Good Shepherd Church Hall in Wheelers Hill.. Their generosity knew no bounds as they sought to help the less fortunate in Sri Lanka.

Suzie unfortunately passed away on the 14 June after a long and protracted battle with cancer, aged just sixty-five.

The Eighty Club extends Our Heartfelt Sympathies and Condolences to Jan and the family.
