Noel John Miller, aged 85, passed away peacefully on 4 September following a difficult journey with vascular Dementia.

He was, above all, a wonderful and devoted husband to his wife Katie, sharing 62 years of marriage together. He is survived by his children Heather and Cheryl, and remembered fondly by his grandchildren Ryan, Jamie, Kristy and great-grandchildren Holly, Axel and Tyson.

He was incredibly good with his hands and always did what was needed to lend others a helping hand.

His diverse interests spanned many creative phases, from motorbikes, car tinkering, and landscaping to beekeeping. He also had a distinct tech-savvy side, capturing precious memories through photography and video, and teaching himself to build computers from scratch. One of his finest recent achievements was successfully building his own campervan out of a bus. May he rest in peace.
